As the Commission established in the *Second COVID-19 Report and Order*, funding for Round 2 of the Program is to be awarded in two phases.<sup>7</sup> In the initial commitment phase, at least \$150 million was be awarded based in part on geographic considerations and on the objective evaluation metrics outlined in the *Second COVID-19 Report and Order*.<sup>8</sup> As directed by the *Second COVID-19 Report and Order*, once at least \$150 million was awarded, the Bureau issued a Public Notice announcing the remaining funding available for the final commitment window,<sup>9</sup> along with guidance, as directed by the Commission, on how the applicants that did not receive funding during the initial commitment phase could supplement their applications with additional information.<sup>10</sup> Applicants that did not receive funding in the initial commitment phase had ten days to supplement their application with any additional information they chose to include. The Public Notice announcing the ten-day period for applicants to supplement their applications was released on November 9, 2021, and the ten-day period closed on November 19, 2021.<sup>11</sup> As directed by the Commission, in the second phase, the remaining Program funding will be awarded to the highest-scoring remaining applications, until all funding has been committed.
